

I U G G

INTERNATIONAL ASSOCIATION OF SEISMOLOGY
AND PHYSICS OF THE EARTH'S INTERIOR

European Seismological Commission

ACTIVITY REPORT 1980 - 1982

L. Waniek
J.M. van Gils
A.R. Ritsema

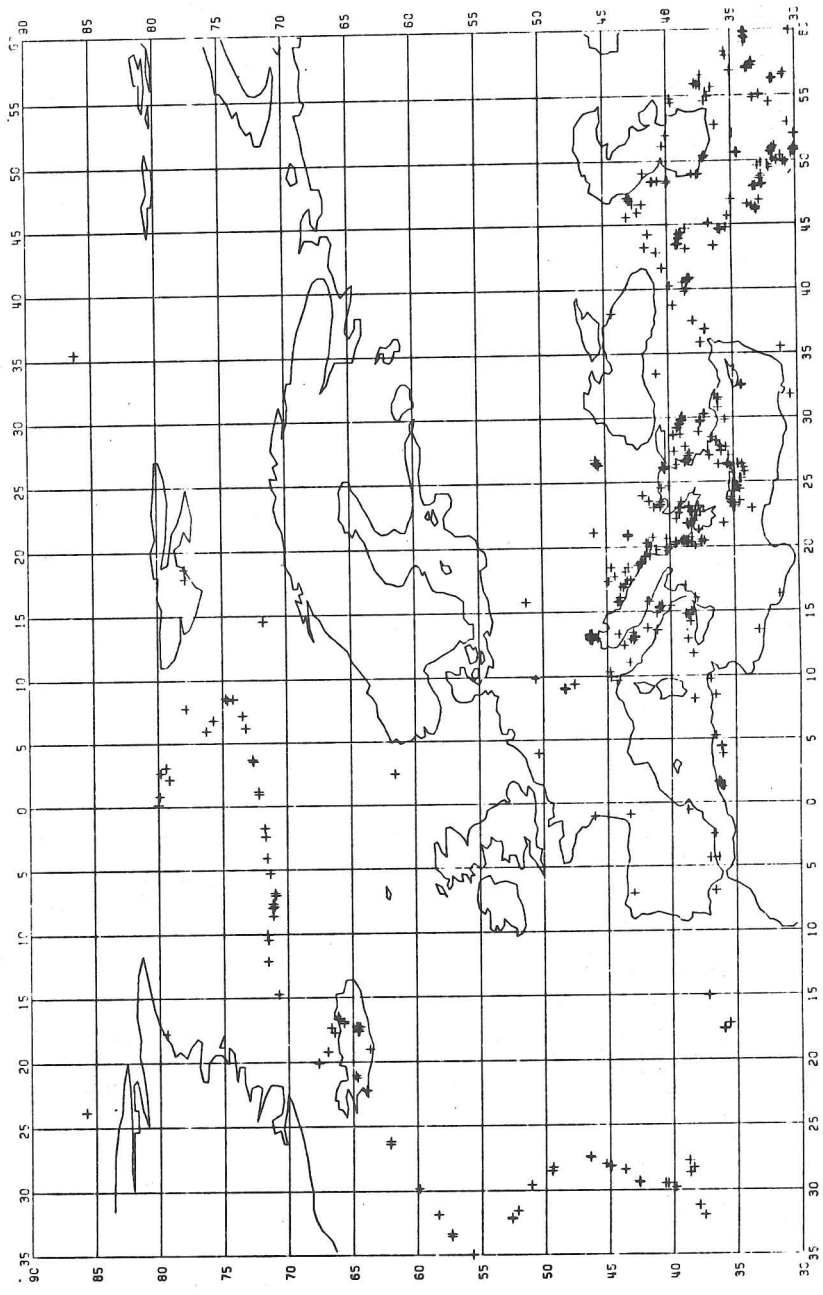

K.N.M.I., DE BILT, 1982

Publication number: K.N.M.I. - 160

Royal Netherlands
Meteorological Institute,
Division of Geophysics,
P.O. Box 201,
3730 AE De Bilt,
The Netherlands

LATITUDE : 30.000N - 90.000N
 LONGITUDE : 035.000W - 060.000E
 DEPTH (KILOMETERS) : 1970 01 01 - 1980 12 31
 REMARKS : EXPLOSIONS EXCLUDED
 TOTAL NUMBER OF EARTHQUAKES FOR THIS SELECTION : 526

NAME: COMPUTER PRINTOUT OF THE
 NSDC EARTHQUAKE-DATA FILE

MOTTO

From its beginning the ESC has been the only scientific body in the field of seismological research which covers all of the European area.

<u>1. THE 17TH GENERAL ASSEMBLY OF THE ESC, BUDAPEST, 22-29 AUGUST 1980</u>	7
1.1. Minutes of ESC Sessions	8
1.1.1. bureau, august 21, 2.30 p.m.	
1.1.2. executive committee, august 21, 3.00 p.m.	
1.1.3. plenary opening session, august 22, 9.00 a.m.	
"in memoriam"	12
presidential address	19
activity reports of sub-commissions	23
report of the EMSC Strasbourg	29
1.1.4. executive committee, august 26, 6.00 p.m.	33
1.1.5. "ad hoc" meeting of new sub-commissions, august 28, 1.00 p.m.	
1.1.6. election of the new bureau, august 28, 6.00 p.m.	
1.1.7. ESC plenary session, august 29, 9.00 p.m.	
1.1.8. bureau, august 29, 11.00 a.m.	
1.2. Activities of the EMSC Council	40
1.2.1. executive council, august 23, 10.00 a.m.	
1.2.2. open meeting of the executive council, august 28, 10.00 a.m.	
1.2.3. executive council, august 28, 5.00 p.m.	
1.3. Reports of Symposia and Conclusions	43
1.3.1. list of symposia	
1.3.2. report of the symposium on earthquake hazard and prediction	
1.3.3. report of the symposium on physical and chemical properties of the mantle	
1.3.4. conclusions of the meeting of the sub-commission on seismicity	
1.3.5. conclusions of the workshop on the determination of focal parameters	
<u>2. ACTIVITIES IN THE PERIOD FROM 1979 TO 1982</u>	47
2.1. Symposium on the Physics of Earthquake Source and Earthquake Prediction Problems, Mogilany (Poland), 1-6 June 1979.	
2.2. Workshop on Modern Methods of Registration and Interpretation of seismic observations, Yalta (USSR), 24-30 October 1979.	

- 2.3. Interdisciplinary Conference on Earthquake Prediction Research in the North Anatolian Fault zone, Istanbul (Turkey), 31 March - 5 April 1980. 49
- 2.4. Workshop on Earthquake Processes and Premonitory Phenomena, Trieste (Italy), 5-9 May 1980.
- 2.5. Second International Symposium on Seismicity and on Analysis of Seismic Hazard, Liblice (Czechoslovakia), 18-23 May 1981.
- 2.6. Symposium on Physical and Geodynamical Processes in Earthquake Focal Regions, Potsdam (GDR), 2-7 November 1981.
- 2.7. Executive Committee of the ESC, London, Ontario (Canada), 28 July 1981.

3. THE 18TH GENERAL ASSEMBLY OF THE ESC, LEEDS U.K., 22-28 AUGUST 1982 56

- 3.1. General Information
- 3.2. Provisional Time Schedule
- 3.3. Proposals for the Agenda

4. COMPOSITION OF THE ESC 61

- 4.1. Titular Members
- 4.2. Bureau
- 4.3. Sub-Commissions and Working-Groups
- 4.4. EMSC
- 4.5. Executive Committee

5. STATUTES OF THE ESC AND EMSC 66

- 5.1. ESC 67
- 5.2. EMSC 77

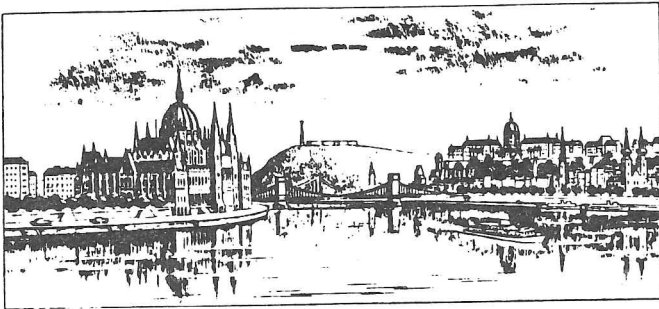

6. LIST OF ADDRESSES 83

ACKNOWLEDGMENTS 88
